

HOFA XMAS MIX CONTEST 2015

WAITING (Warten)

Words & Music: Jochen Sachse, 2015

Verse 1

Tell me - will the frost ever pass?
When will break the ice, how can there be new warmth?
All flowers made of ice, blooming just in grey and white -
I want to see all colours

This dream is almost forgotten
Almost gone, but they have to trust that -

Chorus

You'll revive anew
They only wait for
The shine to gleam much brighter
They firmly hope for -
When the light dies away
The time fades
When the wheels have turned -
Looking up, they hope for you
Why won't you come?

Verse 2

When the thoughts don't burn up
Vivid colours glow on darkest pathways
In a maelstrom of light, more and more will emerge
Until the shadows fly at last

Wide open, lights shine forth
All these colours - they just wait for the time, when
